Office Accessibility Add-in

Meeting Agenda (04/14/2008)

The Past (what we did)

Accomplishments in Word

1. Did chart wizard for images

Both

1. Refactored Code
2. Implemented the text changes indicated by Mr. Gunderson and Christie
3. Looked into table with rows not all having same number of columns error – decided against

The Future (what we will do)

Next Week

1. create test documents/presentations to test the addin
2. fix any bugs found during testing
3. figure out what needs to be written for final report
4. determine a fair work distribution for writing the final report
5. document/comment the errors, error checkers, and error panels
6. Write tutorials for localization and new error creation
